

Valves and Actuators

Technological precision and performance

Since 1986 Gulfhead has been at the forefront of the supply a wide range of genuine and replacement valve and actuator equipment for the marine and industrial sectors.

We fulfil the requirements from classification societies and ship owners, supplying from stock standards such as DIN, JIS and ANSI-valves, we also offer tailor made valves and mounting of actuators.

Our expertise is in analysing a supply request and offering customers a range of technical solutions to suit their exact project requirements. Where necessary we can also provide expert engineers on board vessels or any other marine or industrial facility to resolve any major technical problem.

Our aim is to keep ships moving!

We supply a wide range of genuine and replacement products including the following brands:

**ACE VALVE
AMRI
ARI ARMATUREN
BAILEY BURKETT
DAMCOS**

**DANFOSS
FLOWERVE
KEYSTONE
KSB
NORBRO**

**SAUNDERS
SEIL SERES
TOMOE
TYCO
WORCESTER**

No matter how small or complex your project requirement, Gulfhead can provide a full turnkey enquiry response 365 days a year, 24 hours a day worldwide and ensure customers' equipment and spare parts requirements are fulfilled at all times.

Our cultural heritage

POSEIDON

Poseidon is the god of the sea and protector of all aquatic features. Brother of Zeus and Hades, after the overthrow of their father, he drew lots with them to share the universe. He ended up becoming lord of the sea. He was widely worshipped by seamen. He married Amphitrite, one of the granddaughters of the Titan Oceanus. At one point he desired Demeter, the beautiful goddess of earth, agriculture and fertility. To deter him, Demeter asked him to make the most beautiful animal that the world had ever seen. So, in an effort to impress her, Poseidon created the first horse. In some accounts, his first attempts were unsuccessful and created a variety of other animals in his quest; thus, by the time the horse was created, his passion for Demeter had diminished.
